February 2024 [Vol 1]

## Message From Pastor Kea

Hey CFEC! I'm thrilled to be coming to you from our newly minted newsletter! Consider this, we now have a brand new way of communicating the information, cares and events for our church. This is just another advancement we are seeing as our church ministry & brand evolves. What do I mean?

Think about it. Just thirteen months ago, we were entering into our new church sanctuary for the 1st time. Some of you may say "Pastor, that's just old news" and while you're correct - It's still the story of where we come from. All of this helps us to express a simple concept, PROGRESS.

Progress (as we look back) is especially exciting because it shows what God's grace plus some of our time will do. We can remain both patient & diligent as we trust in the Lord with all our heart...and he will direct our paths. (Proverbs 3:5,6). This doesn't mean that we haven't encountered obstacles along the way, but I'll take God's directed, straight path over my blind, messy steps any day!

Our theme this year is "Called to Be Holy & Healthy" and I believe God has provided this direction to help our lives to grow in grace and in the knowledge of Jesus Christ. We will never regret Holy living, and Good health (physical & mental) is the very picture of who Christ was on earth. So it's both possible and predestined!

Finally, let's not be afraid to grow this year. Make a decision that "better" for you is not just your option, but your destination. Every growth spurt you have will be a blessing for you, and for those people who need to see real growth in action. When it's all said and done, we will look back and thank God once again for more progress!

Much Love,  
Pastor Mike
