#### Message From Pastor Michael Kea

There's a lot going on in the world today. Countries are at war, or planning it. Our communities deal with crime and we feel powerless to stop it. Tariffs and political moves put our financial health in jeopardy. I have an 81 year old uncle, known for walking 7-10 miles away who gave famous advice "you've got to keep moving". No words are more true now than they were when we last felt like quitting. I'm here, in this place, right now, because of forward movement. Like it or not, that ability to move and the thinking to keep moving did not always come from me, but from God helping me. Sounds like grace in action!

Isaiah 43:18nlt says ...For I am about to do something new. See I have already begun! Do you not see it? I will make a pathway through the wilderness. The beauty of this is that God already considers last week's blessings to be a "former" thing. He declares that he is doing (continually, and intentionally) a New thing, and he wants us to recognize that. Through the eyes of faith, powered by His grace he asks us the powerful question: Don't you see it? As if God is incredulously throwing shade saying "Why can't you look up to see what I'm doing?" But that's not the whole story, because He then addresses our current position. God says I'm creating a pathway - A road specifically free from past obstacles. All of this was done with the express intent of making sure we do this: Keep Moving Forward!

Yes it's true. If we dwell on what happened one day, one year, or one hour ago, we can surely find a reason to quit pushing. But as that blessed hymn reminds us "Morning by morning new mercies I see". So with fresh grace & mercy, let's take the path God has laid out for us, as we do what Uncle Pete has mastered in his life. We've got to keep moving forward!

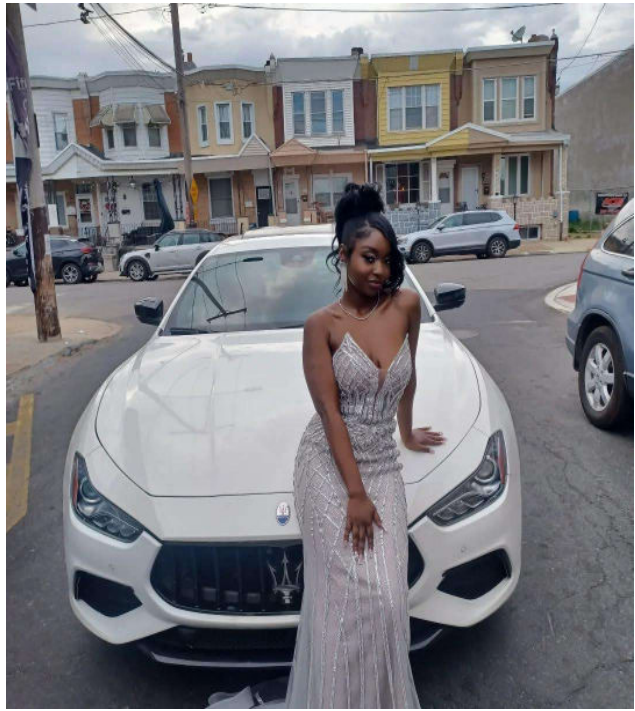

Love you all!  
-Pastor Mike
